

Fragile Palm Leaves

MS ID 2249

Room

paṭṭhān: pāḷi-10

Handwritten text in Arabic script, likely a manuscript page. The text is written in a cursive style and covers the majority of the page. There are some dark spots or ink blotches visible on the paper.

Handwritten text in Arabic script, likely a manuscript page. The text is written in a cursive style and covers the majority of the page. There are some dark spots or ink blotches visible on the paper.

Handwritten text in a cursive script, likely Persian or Arabic, spanning the top half of the page. The text is densely written and appears to be a continuous passage. There are two large circular holes visible in the paper, suggesting it was once bound in a book.

Handwritten text in a cursive script, likely Persian or Arabic, spanning the bottom half of the page. The text continues from the top half, maintaining the same dense, flowing style. There are also two large circular holes visible in the paper, corresponding to the ones in the top half.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and spans across the top half of the page. It appears to be a continuous narrative or record, possibly related to a royal decree or a historical event. The script is dense and fills most of the upper section of the page.

Handwritten text in Burmese script, continuing from the top section. This section also contains dense, cursive writing, likely a continuation of the same narrative or a separate but related document. The text is written in a similar style to the top section, with clear characters and consistent spacing. It occupies the bottom half of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting.

Handwritten text in a cursive script, continuing the narrative or record from the top section. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and spans multiple lines across the top half of the page. It appears to be a formal record or a legal document, given the structured nature of the entries and the use of specific characters that may denote titles or official status. The ink is dark, and the paper shows signs of age and wear.

Handwritten text in Burmese script, continuing from the top half. This section contains several lines of text, including what appears to be a signature or a formal declaration at the bottom. The script is consistent with the top half, suggesting it is part of the same document. The text is densely packed and covers the bottom half of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It consists of several lines of dense, flowing script, with some larger, bold characters interspersed, possibly indicating section breaks or specific names. The overall appearance is that of a formal or official record.

Handwritten text in a cursive script, continuing from the top section. The script is dense and flowing, with some larger, bold characters interspersed. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuation of the same document or a related one, maintaining the same formal or official style.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It consists of several lines of text, with some words appearing to be in a different script or dialect than others, possibly indicating a mix of languages or a specific regional dialect. The handwriting is fluid and somewhat slanted, characteristic of older cursive styles. There are some small, dark spots or stains on the paper, particularly in the middle section.

Handwritten text in a cursive script, continuing from the top page. The text is written in a dark ink on aged, slightly discolored paper. It consists of several lines of text, with some words appearing to be in a different script or dialect than others, possibly indicating a mix of languages or a specific regional dialect. The handwriting is fluid and somewhat slanted, characteristic of older cursive styles. There are some small, dark spots or stains on the paper, particularly in the middle section.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It consists of several lines of text, with some words appearing to be in a different script or dialect than others, possibly indicating a mix of languages or a specific regional dialect. The handwriting is fluid and characteristic of the period.

Continuation of the handwritten text from the top section. The script remains consistent, showing a high degree of fluency in the writing. The text is densely packed, with minimal spacing between words, which is typical of historical cursive manuscripts. The overall appearance suggests a formal or official document, possibly a record or a legal instrument.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It consists of several lines of text, with some words appearing to be in a different script or dialect than others, possibly indicating a mix of languages or a specific regional dialect. The handwriting is fluid and characteristic of the period.

Handwritten text in a cursive script, continuing from the top section. The text is written in a dark ink on aged, slightly discolored paper. It consists of several lines of text, with some words appearing to be in a different script or dialect than others, possibly indicating a mix of languages or a specific regional dialect. The handwriting is fluid and characteristic of the period.

Handwritten Burmese text in a single column, written in a cursive script. The text is densely packed and covers the entire width of the page. There are several dark spots or holes visible along the right edge of the manuscript strip.

Handwritten Burmese text in a single column, continuing from the top strip. The script is consistent with the text above. The bottom of the strip shows some fading and wear, with a few small dark spots.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous narrative or a list of entries, with some lines starting with capital letters. The script is dense and fills most of the page.

Handwritten text in a cursive script, continuing from the top page. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous narrative or a list of entries, with some lines starting with capital letters. The script is dense and fills most of the page.

Q.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It consists of several lines of text, with some words appearing to be in a different script or dialect than others, possibly indicating a mix of languages or a specific regional dialect. The handwriting is fluid and characteristic of the period.

Handwritten text in a cursive script, continuing from the top section. The text is written in a dark ink on aged, slightly discolored paper. It consists of several lines of text, with some words appearing to be in a different script or dialect than others, possibly indicating a mix of languages or a specific regional dialect. The handwriting is fluid and characteristic of the period.

221

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single line across the top of the page. The script is dense and difficult to decipher, but appears to be a form of early modern European cursive. There are two large, dark circular marks or holes visible in the paper, one near the left edge and one near the right edge.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single line across the bottom of the page. The script is dense and difficult to decipher, but appears to be a form of early modern European cursive. There are two large, dark circular marks or holes visible in the paper, one near the left edge and one near the right edge.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It consists of several lines of text, with some words appearing to be in a different script or dialect than others, possibly indicating a mix of languages or a specific regional dialect. The handwriting is fluid and characteristic of the period.

Handwritten text in a cursive script, continuing from the top section. The text is written in a dark ink on aged, slightly discolored paper. It consists of several lines of text, with some words appearing to be in a different script or dialect than others, possibly indicating a mix of languages or a specific regional dialect. The handwriting is fluid and characteristic of the period.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting.

Handwritten text in a cursive script, likely Burmese, spanning the top half of the page. The text is densely packed and includes several large, bold characters that serve as section markers or initial letters. The script is written in dark ink on aged, slightly discolored paper.

Handwritten text in a cursive script, likely Burmese, spanning the bottom half of the page. This section continues the narrative or list from the top, featuring similar dense handwriting and large section markers. The ink is consistent with the top section, and the paper shows signs of age and wear.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single line across the page, with some ink bleed-through visible from the reverse side. The script is dense and flowing, characteristic of early modern handwriting.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single line across the page, with some ink bleed-through visible from the reverse side. The script is dense and flowing, characteristic of early modern handwriting.
